

Bhoomi Fabricating Solutions Pvt. Ltd.

<https://www.indiamart.com/bhoomifabricatingsolutions/>

Our name is counted among the promising manufacturers and suppliers of a wide range of Stainless and Mild Steel Fabrication Products. Additionally, we hold expertise in offering reliable and long lasting Turnkey Jobs for Mechanical and Civil Works.

About Us

BFSPL is established in **1997** as a partnership firm and now associated as private limited company. **BFSPL** is involved in **Stainless steel, and Mild Steel fabrication services**. These products are manufactured using quality material procured from well established vendors of the market. Designed with precision, these are made in strict accordance with the set industry standards. Our range can also be customized as per the specific requirements of the clients. In addition, we also offer other services like **Sand Blasting, Power Coating**, etc., at competitive rates to our clients. To ensure all our production services are streamlined, we have developed a vast infrastructure equipped with latest machinery and tools. Handled by expert professionals, which enables us to meet the production targets within stipulated time. We lay great emphasis on the quality of products and thereby test our range on well defined parameters to assure our clients with quality products. For safe delivery, our finished products is packed in quality packaging or as required by the clients.
