## About Us

Established in the year 2008, we, Bindal Ispat, are a prominent Manufacturer and Supplier of a remarkable range of Metal Scrap, Plastic Scrap and Jute Bags. Owing to the rich industry experience, we have been serving the industry with changing technologies and market conditions. We also customize the products according to the requirements of our clients. Being positioned at such a business friendly place helps us keep our infrastructure furnished with the latest machinery. Apart from that it also allows us to update the machinery at regular intervals so as to keep up with the market pace and growing demands of our customers, worldwide.

All our products are processed using excellent quality material so that these are in tandem with international quality standards. Our product-line is appreciated by clients for its purity, durability, longer shelf life and corrosion resistance. Moreover, to cater to the diverse requirements of clients, we offer these products in variegated specifications at market-leading prices. All our bags are eco-friendly, finely stitched and have durable handling straps & high tear strength. Our infrastructure is well equipped with latest machineries, which helps in the manufacture of quality range of sack bags.
