## About Us

BioChiral is founded in 2014 as Contract Research Organization (CRO), Custom Research & Manufacturing Services (CRAMS), API intermediates and impurities to wide range of customers from Usa, Canada, European and Asian countries. BioChiral is located in Hyderabad (Pharma hub of India), in the close vicinity of internationally reputed Indian Institute of Chemical Technology (IICT), Center for Cellular and Molecular Biology (CCMB), Osmania University and National Institute for Pharmaceutical Educational and Research (NIPER), etc. Our Management team is consisting of professionals with Ph.Ds and Master in organic Chemistry, which is capable of providing a wide variety of outsourcing services and can supply a broad range of synthetic compounds in gram to kilogram scale. BioChiral is highly motivated and feels responsible for product quality, customer satisfaction, cost effectiveness and environment protection.
