We are one of the leading manufacturer and supplier of wide range of quality laboratory testing equipments. These chemical testing instruments are highly required for aggregate testing, soil testing, bitumen testing and concrete testing services.

## About Us

Established in the year **1996**, **Dynamic Engineering Co** is one of the leading manufacturers and suppliers of a wide range of quality testing equipment such as laboratory testing equipment, chemical testing equipment, bitumin testing equipment etc., that are highly required for cement testing, aggregate testing, soil testing, bitumen testing and concrete testing. These are durable, dimensionally accurate and are suitable for various industrial applications. We also provide technical support during installation and as well as after-sales support to our clients. We have a state-of-the-art infrastructure for manufacturing of multitude of testing equipment. Our manufacturing unit comprised of all the essential machineries that are important for the production. Our cutting-edge technologies and advanced techniques enable us to develop superior quality testing apparatus. We also try to offer qualitative range in the wide competitive market. Owing to the guidance of our **mentor, Mr. Ankit Kohli** we have attained a special position in the wide worldwide market. It is all because of his supervision that we are climbing up the ladders of success.

# BITUMEN & AGGREGATE TESTING INSTRUMENTS

What We Offer

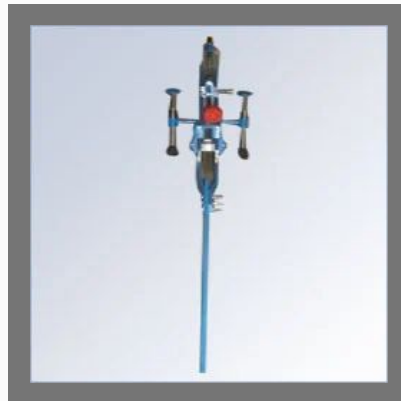

Elongation & Flakiness Index

Aggregate Crushing Value Testing Equipment

Air Entrainment Meter

Benkleman Beam Apparatus

# SOIL TESTING INSTRUMENTS

What We Offer

Core Cutter With Dolly & Rammer

Triaxial Shear Apparatus

Compaction Test Apparatus (Proctor)

Sieve Shaker

# CEMENT & CONCRETE TESTING INSTRUMENTS

What We Offer

Vibrating Machine (Cement Mortar Cube Vibrator)

Compression Testing Machine

Accelerated Curing Tank

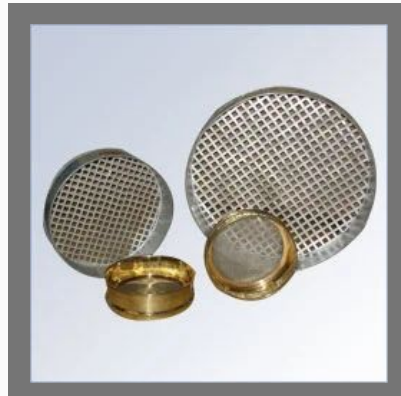

Tile Abrasion Testing Machine

## OTHER PRODUCTS:

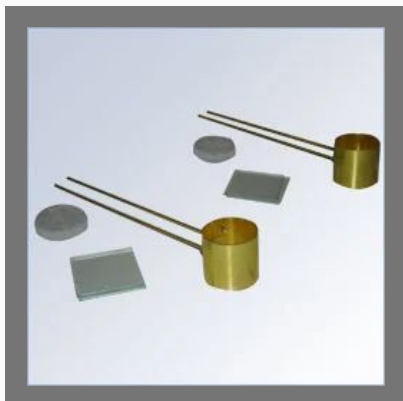

What We Offer

Bitumen (Centrifuge) Extractor

Test Sieves

Le-Chatelier Mould

# Factsheet

Year of Establishment : 1996

---

Nature of Business : Manufacturer

---

Total Number of Employees : Upto 10 People

---
