

Bionic Pharmaceuticals

<https://www.indiamart.com/bionicpharmaceuticals/>

We are most prominent organization, engrossed in manufacturing and trading a broad collection of Pharmaceutical Products. These offered products are appreciated across the market for their high quality.

About Us

Established in the year **2005**, We "**Bionic Pharmaceuticals**" are a highly famous organization of the industry involved in manufacturing and trading a broad assortment of best quality Pharmaceutical Products. Under this range, we offer **Pharmaceutical Injection, Albumin Health Care Medicine, Anti Cancer Medicine, Hormones Medicine etc.** Our provided products are prepared by taking only optimum quality ingredients at our vendor end. These products are highly used for their super quality, nontoxic nature, long shelf life, accurate composition and high effectiveness. We have constructed a huge vendor base in the market to offer this high quality products range. Our vendors are backed with adroit professionals, who are dedicated in preparing products as per the industry quality standards. The machinery and equipment installed in the production unit at vendors end are regularly upgraded in order to keep them updated with the latest technological development occurred in the industry. In addition to this, we have categorized our team into various departments such as procurement agents, quality controllers, warehousing & packaging and delivery staff to function smoothly. Under the constant supervision of our mentor **Mr. Rakesh Sharma**, we have been able to achieve such a distinct position in this domain. Due to his motivation and valuable direction, we have attained a huge number of clients.
