**Black-Belt Security Force** is an eminent service provider engrossed in offering a wide range of services including **Security Guard Services, VIP Security Services, Event Security Services, Banking Security Services.**

## About Us

Established in the year **1999**, **Black-Belt Security Force** is a remarkable enterprise engrossed in offering a wide range of services to the industry. Some of the chief services offered by our firm include **Security Guard Services, VIP Security Services, Event Security Services, Banking Security Services, Corporate Security Services, Property Protection Services, Residential Security Services, Manpower Consultancy Services** and **Vigilance Detective Services**. In order to make sure that our services never leave behind any kind of drawback, we have hired a skilled and talented workforce which comprises knowledgeable personnel who implement and plan our services and their associated policies with excellence. Further, the security guards sent by us for these services are having all the necessary weapons and arms required while delivering security to an event, person or organization. Moreover, to maintain exactness and reliability in our services, these are rendered after understanding the needs and necessities of our customers in the best possible manner. Assisted by a team of devoted, talented and well-informed personnel, we are capable of mustering a vast clientele base all over the world. Hired after rounds of interviews and skills examination, these are amongst the best talents present in the market place. Moreover, their keen expertise of understanding and exactly fulfilling the needs and desires of our customers has assisted us in becoming one of...
