About Us

Blend InfoTech is also known as "IT Training Hub", having its Corporate Office at Pune. Blend is a company started by a group of professionals with vision to excel in the field of IT and IT Related Services, like Training, Software Development, Web Development, Consultancy, Placements etc. The group was started way back in 2007 handling major IT training program.

Blend Operates from a Network of Company owned & managed centers across India.

Blend InfoTech is involved into providing state-of-the-art high-end specialized training in Computer Networking, leading to International Certifications, like MCP, MCTS, MCSE, CCNA, CCNP, A+, Microsoft.net, Java, Android, PHP, Joomla, C, C++ and Other academic courses.

Blend is also involved into Networking, Software Development and Web Development projects on turnkey basis.

Blend Has a dedicated Placement Cell with a strong team of Executives who work round the clock with Students & Industry to help them in getting the required opportunities.

Backed by a team of professionals who have successfully trained and placed students. Blend offers a wide spectrum of technical courses and application courses designed to suit every skill level, as well as the ability to consult directly with organizations to tailor made learning plans for any number of employees. Our products and services have a wide appeal and are applicable those in varied positions including network...
