

Blossom Flavors

<https://www.indiamart.com/blossom-flavours/>

Manufacturers and exporters of flavors, emulsion, dry powders, pharma flavor, butter scotch flavor etc.

About Us

Established in 2003, blossom flavours are one of the leading manufacturers of wide spectrum of flavours for bakery, confectionery, beverages, ice cream industry, flavours and essence, snacks and pharmaceuticals. The company with its limited resources have claimed their position in the market through their incredible range of products. Blossom flavors have earned prominence in the manufacturing of flavours for most of the food processing industries. All our products are appreciated for maintaining its high quality standards and hygiene. Satisfied client-base shows that within a short span we have developed our own corporate entity by achieving breakthrough in confectionery, bakery and ice cream industries. Our vision is to deliver world class service to the clients with utmost sincerity, honesty and quality.
