About Us

Established in the year **2011**, we **Bluejay Packaging** are one of the distinguished **manufacturers** and **suppliers** of **HDPE Bottles**. In our offered assortment, we offer **HDPE Plastic Bottles**. These products are designed by our highly skilled professionals using supreme class virgin plastic and other allied material in compliance with set industry norms. Further, the raw material we use in fabrication process is procured from only trusted and certified vendors of the market. Our offered bottles and bottle caps are extensively applicable in different industries such as cosmetic, Pharmaceuticals, FMCG, Agro-Chemicals and many more. Acknowledged for sturdy construction, attractive designs, handy shape, optimal strength and durability, these products have huge demand in the market. In order to meet specific needs of clients, we provide these products in several sizes, designs, thickness, shapes and finishes as per the details provided by clients. **We are looking for queries from South India region.** Located at **Hyderabad, Andhra Pradesh**, we have set-up a sophisticated infrastructure unit that is equipped over a wide area. Our infrastructural set up is installed with requisite tools and machines that enable us in catering to the ever changing demands of clients. Blessed with the skilled professionals, our professionals maintain close coordination with the customers in order to understand...
