About Us

Bombay Scientific established in the year 1990, has been among the top-notch company engaged in distributing and importing a wide range of Orthopedic Products. The products offered by Bombay Scientific are manufactured using optimum quality of raw material at the vendors end. These products are appreciated by the clients for their high dimensional accuracy, durability, reliability, sturdy construction and exceptional finish. Owing to these characteristics, our products are in high demand by our clients from the medical fraternity. The company began its operations in 1990 under than able leadership of Mr. A. Almeida, having experience in marketing of orthopedic products.
