We are leading distributors and suppliers of a wide range of industrial batteries from reputed brands. These robustly built products are known for their durability and superior performance.

## About Us

Incepted in the year **1989**, **Bombay Batteries** has established itself as a prominent name in the field of distribution and supplying a high quality range of batteries. We offer products under various known and reputed brand names such as **Exide, Amaron, Tata Green and Amco' for automobiles, UPS, Inverters, Tubular, Motorcycle** and many more. With commitment to product quality and service excellence, we have been working tirelessly to satisfy our clients to the best of our abilities. With the aid of our fully equipped in-house workshop, we also provide maintenance and services of our products. In cases where new replacement is not available, we rescore our existing products with the help of skilled professionals to serve the clients promptly without any delay. The company was founded under the able leadership of **Mr. Dhanesh**, who has been giving us invaluable guidance to establish a formidable position in the industry. With strong business acumen, in-depth product knowledge and vast industry experience, he has become a constant source of support for all of us.
