We are one of the eminent traders and suppliers of all kinds of sports goods. Our bats and rackets are widely appreciated for their features that include high durability and excellent grip that they offer.

About Us

Established in the year 1999 at New Delhi, India, we “**Booki Sports Shop**” are a trusted name engaged in manufacturing, supplying and exporting a superior quality range of sports goods. Our range encompasses cricket bats, tennis rackets, batting pads, cricket t-shirts, sports shorts, kit bag, badminton rackets, volley ball, tennis balls & shuttle cocks, squash rackets, sports shoes, hockey sticks and leather balls. Our products are offered in accordance to the international quality standards. The excellence that we have achieved in this field is the result of our dedicated efforts in bringing our the best quality products to our clients. Our aim to continually make improvements in our existing product line has helped us in gaining a huge client base. We take pride in being associated with The Sports Authority of India, The Indian Air Force and The Indian Army, to whom we have been supplying our range of Sports Goods. Today, we also cater to the varied requirements of our clients in Australia, UK, West Indies and other parts of the world. With the support and guidance provided by our mentor, Mt. Atul Rattan, in a very short duration, we have managed to climb the ladders of success. Our consistent efforts have helped us in gaining huge accolades from our clients in the domestic as well as international market. The knowledge and expertise of Mr. Rattan has helped us in setting a benchmark in this industry, because of which we have become one...
