## About Us

Boss Stationary was established in 1959 as a small company with the aim of manufacturing quality stationary products. Today, the company has grown substantially and holds a good market position. Our product range is very wide with quality standards. Our factory is equipped with state-of-the-art machinery to manufacture these high quality materials. We also ensure our warehouses are sufficiently stocked to cater to the immediate requirements of our customers. All our products are manufactured with precision and durability in mind. We use the best raw materials and manufacturing processes known and still ensure that we provide an attractive value for money proposition to the customer. We back our quality products with excellent customer service ensuring that the customers are not stuck with products that don't fulfill their requirements.
