About Us

We **Bower In Decor** came into operation in the year **2005** working as a **Sole Proprietorship** and located its operation unit at **West Bengal, India**. We are engaged in offering **Interior Decorative Service, Decorative Service, Interior Work, Decorating Flooring Service, Space Planning Service** and **False Ceiling Service**. Owing to our sophisticated facilities and expertise, we have been able to meet the exact demands of our valued customers in a stipulated period of time. In order to streamline our operations, we have hired a team of professional that are highly skilled and experience and manage all the business transaction in an organized manner. Due to our quality commitment, we have been able to acquire a huge clientele base all across the nation. In this competitive era, we are reckoned as one of the trusted and reliable service provider. Our valuable customers can avail these services from us at cost effective prices. With the rich industrial expertise of more than years, we have been able to offer customized solution in an efficient manner. Our experts are well informed about the current industry requirement and try to accomplish them in a best possible way. Thus, we have reached a level of success in embarking a position of the organization in the market. Under the proficient and eminent leadership of our **Proprietor, Mr. Debayan Ghosh**, we have evolved as a distinguished business enterprise in the market. With his...
