About Us

Started off in 1998, Bright Marble & Granites has been fuelling the demand for quality floor and wall tiles in Trichy and the entire state of TamilNadu. From the industrial hubs of Coimbatore to the shores of Kanyakumari, our flawless collection of tiles and slabs have been the pride of many residential and commercial structures.

For more than 15 years, BRIGHT MARBLE & GRANITES has been synonymous with grandeur, opulence and splendor.

We have brought about a virtual revolution in the natural stone market in our area of operation by introducing some of the most exquisite varieties and shades of marble and granite.

Our uncompromising accent on quality, our competitive price tags, and the widest range of choices make us the natural choice to cater to your requirements.

We have adapted ourselves to the preferences and requirements of all sections of customers; from individual houses to spacious bungalows, multi storied apartments and commercial malls and auditoriums.

Our in house landscaping experts can provide you with a 360 degree visualization of your preferences.

Our skilled workforce engage themselves with clock work precision to affirm our uncompromising accent on quality.

Our focus is on providing customers with a one stop solution for all their needs. While Granite and Marble continues to be the mainstay of our business activities, we have forayed into ceramic and vitrified tiles, sanitaryware, faucets and wooden floors.
