Brite Paint & Chemicals

<https://www.indiamart.com/britepaintandchemicals/>

We are one of the leading **Manufacturer & Exporter of Laundry Grade & Industrial Grade Ultramarine Blue, Magic Blue or Liquid Whitening System and Cement Colors.**

About Us

Incepted in the year **1980**, we “**Brite Paint & Chemicals**”, are engaged in **Manufacturing & Exporting of Laundry Grade Ultramarine Blue, Industrial Grade Ultramarine Blue, Liquid Whitening System, Ultramarine Blue Pigments, Whitening Agents and Cement Colors**. Our exhaustive array of pigments is fabricated using quality raw materials and by employing the latest technology machines. In order to effectively cater to the growing demands of the clients, we constantly upgrade our manufacturing facilities to keep them at par with those of our competitors. We are capable of manufacturing upto 400 metric tonnes of pigments per month at our unit.

Under the able guidance of “**Mr. Subhash Bhatia**”, who has over 40 years of industry experience, we are able to produce high quality products that successfully cater to the requirements of diverse industry. His extensive experience helps us to meet customized product development needs of our clients. Today, to match up with the latest process demands of our industry, we regularly upgrade our manufacturing facilities as well as our other involved technical skills. This helps us in production of over 400 metric tonnes of material monthly with an annual turnover of over 12 crore. Owing to our consistency in offering only the best to the clients, we have won the trust and support of innumerable clients worldwide. We export our products to many countries...
