About Us

B.R.K. Industries is one of the leading manufacturers and exporters of all types of fasteners. We have all infrastructure to cope all your needs well in time... BRK Industries have come a long way since establishment in the year 1980. The company is having a wide range of products as Transmission Lines, Auto Parts, Railway Electricals, Wind Mills, Special Fasteners, General Industries Fasteners etc. The company has the privilege of serving most quality conscious customers in the industry and over the years, we have built up the reputation of being a reliable and quality supplier source to our esteemed clients. The blend of through experience and technical expertise has enabled us to incorporate quality, perfection, accuracy and precision in our products. The History Since 1980, our ethos of dynamic leadership of our father who planned in to the manufacturing of fasteners, gradually driven us inexorably forward. In practical terms, this ethos translates in top an incessant pursuit of quality excellence in products, in-depth understanding of customer's need and genuine customer care. The company is now a pioneer in manufacturing all these fasteners by achieving the highest standards of workmanship through an uncompromising and firm commitment towards quality and delivery schedules. Exports International Exports, an associate enterprise of BRK Industries, is our company to promote the exports of the company. Presently we are exporting our products to various countries like United...
