# Brown & Black Bio Pvt. Ltd.

<https://www.indiamart.com/brownandblackbio/>

We are supplier, distributor, manufacturer, exporter, wholesaler, service provider & trader of a long list of Pharmaceutical Products.

## About Us

**Brown and Black Bio Private Limited** came into existence as a Public Limited Company in 2005. We have focused all our energies in manufacturing, supplying, trading, wholesaling, distributing and exporting high quality Anti-Biotic, Steroids, Anabolic Steroids, Anti Allergic, Injectables, Analgesic & Anti-Inflammatory, Anti Cold & Cough Syrups, B-complex, Iron Syrups, Ayurvedic and veterinary products and all types of Beta and non beta tablets and caps. We are also into third party manufacturing. We work on ethical grounds with a mission to ensure customers get quality products at an affordable price. Pharmaceutical segment has grown into manifolds in past few decades still it is felt a lot more needs to be done in this field for the welfare of mankind. Our aim is to our little bit to give a helping hand to the society. We are **GMP certified company** and all our products are manufactured in complete state-of-the art facilities. Moreover the products go through stringent quality parameters checks at every stage before they are finally launched into the market. Being in health sector, production we take utmost care to ensure quality production. The place where **Brown and Black Bio Private Limited** stands today is due to the hard work of its **Director-Mr. Sharad Gupta** who has put in all his efforts to make the complete unit an example in the pharmacy world. People associated with are proud to be associated with us and customers...
