About Us

Build Mantra established in 2012 is a supplier of construction materials, interior furnishings, outdoor furnishings, electrical and lighting products for all living, work and leisure space like home, apartment, office, storage warehouse, industrial work area, restaurant, shopping malls, retail showrooms, hotels, resorts, vacation homes, and other similar. Build Mantra helps source hard to find construction materials from all around the world to directly or indirectly assist the Customer or their purchasing department. If you are a bulk buyer like a builder organization building/furnishing any living, work and leisure space (B2C - Bulk), our products can help you build any infrastructure be it a home, apartment, office or any such. You could be an applicator like Architect, Electrician, Carpenter, Painter and the like buying for their own use or for their customers' use. Our products can help you build any infrastructure be it a home, apartment, office or any such. You could be an NRI customer who does not have direct access to construction material vendors in India. Our products can help you build any infrastructure be it a home, apartment, office or any such. You could be a Vendor buying their raw materials/accessories. Our products can help you manufacture your finished product. For instance, door/window manufacturer vendors could buy hinges, locks from the respective vendors. Clinker manufacturers could sell their...
