About Us

Calcutta Iron Udyog was established in **1976** and owned by **Beriwal** family with keen insight and understanding of Industry and trade. The bond between the employees and the management has been so much consolidated that the Company has no record of Industrial unrest since its inception. This ambience of harmony prevails everywhere it matter in company's association with its sourcing agents, suppliers, customers and bankers. It has enabled Calcutta Iron not only to grow meeting all challenges it has faced but also to create a benchmark in Industrial relationship. We are leading **manufacturer, supplier and exporter** of all grades of **Gear Box Housing, Alternator Pulley, Cast Iron Valve, Counter Weight, Manhole Cover, Tea Garden Machinery Spare, Brake Drum** and **many more**. The offer products are known for their good quality and available in the market at Industry leading prices. We **exports** upto **20%** of our production in **Europe and USA**. **Calcutta Iron Udyog** today is an Industry leader and affiliated/member with engineering export promotional council (E.E.P.C), Indian foundry association (I.F.A), Howrah foundry association (H.F.A), Institute of Indian Foundry men (I.I.F). Further, our mentor **Mr. V.S. Beriwal** also helps us and supports our company to perform well in the market. For systematic and smooth business operation, we have developed a highly capacious...
