Campbell International

<https://www.indiamart.com/campbell-international/>

Exporter of light engineering products such as bicycle bicycle spares, hand tools, auto parts, nuts, bolts, hand tools, garden tools cutting tools, tractor parts, screw drivers etc.

About Us

Campbell international? was set up for 100% export of light engineering products? by a group of original equipment manufacturing companies. Initially the products range covered bicycles, components & accessories, and upon persistent demand? from overseas customers? we have gradually? diversified with other products viz. , hand tools, garden tools, horticultural/ agricultural tools/ scaffolding, office tools/ household articles & accessories, wall tiles/ floor tiles etc. ,e. W. C. , wash basins and steel files. Our intention is to have long term business cooperation rather than short term benefits. Today campbell is a regular supplier to several factories/ oems abroad.

we are equipped with well maintained testing facilities and qualified engineers? and inspection personnel, besides having huge warehouse of 25000 square feet, well built office block having 6000 square feet with all modern gadget. The success of campbell is purely based on consistency and superior quality standards being maintained besides the best attention and prompt services by way of competitive prices, attractive packaging and on time delivery schedules. Each and every customer is treated as a campbell family.
