<https://www.indiamart.com/candyfoods/>

We Candy Foods Products Pvt. Ltd. are a foremost manufacturer and exporter of quality assured Strawberry, Orange, Mango, Kachcha Mango and Pineapple Candies. These are known for unique flavor, authentic taste and excellent quality.

About Us

“**Candy Foods Products Pvt. Ltd.**” have been engaged in manufacturing, supplying and exporting a premium quality range of **Candies**. Our variegated range encompasses **Strawberry Candy, Orange Candy, Kachcha Mango Candy, Mango Candy ,Lychee Candy, Panmasti Candy, Mix Fruit Candy, Nimbu Pani Candy, Pineapple Candy and Eclairs**. These are prepared using fine grade ingredients and in compliance with the industry standards. Besides, we ensure that these are prepared in a hygienic environment and using automated machines to assure longer shelf life of the candies. The prepared candies are further packaged using quality material and are offered to clients in bulk amount. Our quality controllers check these candies on random basis in order to assure that these are free from any harmful chemicals or substances. Our range of candies is known for salient attributes such as high nutritional value, rich aroma, mouth watering taste and longer shelf life.

We have developed a sophisticated infrastructure at our premise in order to meet the bulk demands of our clients based across the globe. The infrastructure comprises facilities for manufacturing, quality testing, research and packaging of the candies. All these units are installed with latest machines and equipment that assures timely and bulk production of candies. We are also associated with leading vendors in order to procure premium grade ingredients to use in the production...
