Capture is one of the renowned manufacturers and suppliers of a superior quality range of Denims, Trousers, Shirts & T-Shirts. The bottom wear offered by us is widely appreciated for its fine finish and shrink resistance.

About Us

Established in the year 2008, we, “**Capture**”, are one of the prominent manufacturers and suppliers of the finest range of **Denims, Trousers, Shirts & T-Shirts**. The jeans and shorts offered by us are made using premium quality denim fabrics, threads and other material procured from some of the most trusted vendors of the industry. In order to offer the best-in-class range of jeans & shorts to the customers, we employ latest technology and advanced machinery in the designing & other related processes. We make available the bottom wear to the clients in different designs, styles, colours, sizes and other specifications. Moreover, we provide customised jeans & shorts to the clients that are designed as per the exact details provided by them. Our range of jeans & shorts is widely appreciated for its shrink resistance, colour-fastness, perfect fit, high aesthetic appeal and elegant design. The entire range is checked on certain well-defined parameters to make sure that our customers get flawless products from us. We also pay attention to provide these products to the clients in attractive packaging. We have a sophisticated infrastructure having all the facilities for streamlining production & other related processes. The capacious warehouse at our end helps us in storing the entire stock in an organised manner. We make sure to store the stock in such a manner that it remains free from dust, moisture and other harmful...
