

Alvin's burnt sugar BS- 001 is a sweetish bitter aromatic product . It finds applications in food systems where aroma, colour & sweetness is desired.

TECHNICAL SPECIFICATIONS	
Colour Intensity *	0.025 - 0.030
EBC Units	9,000 - 11,000
pH 'as is' @ 20° C	3.5 - 4.0
Specific Gravity @ 15.5° C	1.250 - 1.260
Shelf Life	24 months

*Absorbance at 610 nm 0.1 % solution in 1 cm cell on a 2 nm bandwidth spectrophotometer.

Packed in 70 kg / 45kg & bulk tankers for domestic customers & 260 kg / 25 kg for overseas customers.

Alvin's burnt sugar BS- 04 is a sweetish bitter aromatic product . It finds applications in food systems where aroma, colour & sweetness is desired.

TECHNICAL SPECIFICATIONS	
Colour Intensity *	0.0035 - 0.0045
pH 'as is' @ 20° C	2.6 - 4.0
Specific Gravity @ 15.5° C	1.365 - 1.385
Shelf Life	24 months

*Absorbance at 560 nm 1.0 % solution in 1 cm cell on a 2 nm bandwidth spectrophotometer.

Packed in 70 kg / 45kg packing for Domestic Customers & 260 kg / 25 kg for Overseas Customers.

Alvin's burnt sugar BS- 140 is a sweetish bitter aromatic product . It finds applications in food systems where aroma, colour & sweetness is desired.

TECHNICAL SPECIFICATIONS	
Colour Intensity *	0.032 - 0.038
EBC Units	12,000 - 14,000
pH 'as is' @ 20° C	2.7 - 3.8
Specific Gravity @ 15.5° C	1.320 - 1.340
Shelf Life	24 months

*Absorbance at 610 nm 0.1 % solution in 1 cm cell on a 2 nm bandwidth spectrophotometer.

Packed in 70 kg / 45kg & bulk tankers for domestic customers & 260 kg / 25 kg for overseas customers.

Alvin's burnt sugar BS- 250 is a liquid product with both colouring & mild flavouring profile manufactured by using plain crystalline sugar without any addition of catalysts. Crystalline sugar is gradually transformed into liquid.

TECHNICAL SPECIFICATIONS

Colour Intensity *	0.058 - 0.063
Citric Acid Test	Passes
EBC Units	22,000 - 24,000
pH 'as is' @ 20° C	3.00 - 4.00
Specific Gravity @ 15.5° C	1.330 - 1.350
Shelf Life	12 months

*Absorbance at 610 nm 0.1 % solution in 1 cm cell on a 2 nm bandwidth spectrophotometer.

Packed in 70 kg / 45kg & bulk tankers for domestic customers & 260 kg / 25 kg for overseas customers.
