# Cargo Gear Services (I.) Private Limited

<https://www.indiamart.com/cargo-gearservices/>

We are a leading service provider of Lifting, Life Saving and Fire-Fighting Appliances. Our services are highly appreciated for being prompt, cost effective and are executed in an efficient manner.

## About Us

Established in the year 1991, we, "Cargo Gear Services (I.) Pvt. Ltd", have emerged as an eminent firm engaged in providing high class Testing, Repairing and Certification of Lifting, Life Saving and Fire-Fighting Appliances services to our patrons. By providing some quality services, we are serving some of the big industries of the market such as National / International Shipping, Offshore & Onshore and Oilfield industries. All these services are known in the market for their promptness, reliable performance and cost effectiveness. Our work is approved by various Classification societies like ABS, BV, DNV, IRS, LRS, NKK & Directorate General of Shipping (Govt. Of. India). We are a registered "SHIP REPAIR UNIT". Engineers of our organization are declared as competent persons for the purpose of examination, certification and testing of lifting appliances and loose gear on ship / shore based installations.

Owing to our efficient and diligent team of professionals, we have emerged as an eminent service provider. These professionals follow various quality norms to deliver high class services and to make the same in accordance with international quality standards. We remain in sync with our clients to know their exact needs and demands and serve them accordingly.
