About Us

Established in the year 1977, **CBS Publishers & Distributors Private Limited** is one of the most distinguished Publishers and Distributors of Medical, Technical, Engineering & Educational Books. These books are mainly used in colleges, technical institutes and other organizations. The objective is to bring a positive change in the education system by offering books that provide an in-depth insight. Many of our books are running into several editions and reprints. These books have been well received by the students, scholars and also the concerned institutions. We are associated with some of the leading publishers in the world such as **McGraw-Hill, Nelson Thornes, Oxford** and **Dover Publications**. Our range of books is appreciated for usage of simple yet effective language, providing a detailed information in an innovative manner and cost effectiveness. We have a well spread distribution network across the domestic and international markets. The organization is led by its mentor **Mr. Satish Kumar Jain**, who is popularly known as 'Matta', across the global publishing fraternity and has vast experience in the domain of publishing and distribution of books. He is well supported by a team of competent professionals, which is well versed with the intricacies of the industry. The mentor's vision and leadership qualities have helped the organization make a successful transition to the global stage. We are one of the leading distributors and...
