Centaur Exports

<https://www.indiamart.com/centaur-exports/>

We bring forth our clients a wide variety of Indian Extracts, Essential oil and spices prepared and extracted under the strict supervision of our experts. Our products are refined in hygienic conditions and provide immense health benefits.

About Us

Established in the year **2000**, we “**Centaur Exports**” are the leading traders of **Essential oil, Health Ingredients, Herbal Extracts and other natural products**. These products have great health benefits and are widely used all over the world for different purposes. We use all transport mediums for effective and timely deliveries. Our products are widely used in Our products are widely used in Cosmetic Industry, Nutraceutical Industry, Hotel Industry, Ayurvedic Industry and Health Industry. We accept bulk orders of Essential oil, Medicinal Herbs, Botanical Herbs, Health Ingredients, Herbal Extracts, Spices and other natural products all over the world. To provide high quality product to the clients we get the raw materials cleaned and prepared under our personal supervision leaving no aspect of quality degradation. By using superior packaging methods we make sure that the products do not get contaminated or depreciate in quality during long distance transit. Our mentor “**Mr Nitin**” has always insisted on product quality with timely deliveries and has taught us the same. He is a man with immense knowledge of natural products and under his guidance we have been able to carry out our business practices so efficiently.

We are mainly looking queries from USA, Canada, Brazil and Malaysia.
