We are one of the reliable suppliers and traders of Buffing and Polishing Products, Coated Abrasives, Non-Woven Abrasives, Polishing Kit, Polishing Wheel & Brushes.

About Us

Established in the year **1994**, we, “**Chaman Traders**”, are a **Sole Proprietorship (Individual)** firm, engaged in distributing and supplying of an immaculate range of Buffing and Polishing Products, Coated, Bonded, Non Woven Abrasives. Our products are acknowledged for their excellent finish, dimensional accuracy, high tensile strength and corrosion resistance attributes. We have set up a large and sophisticated warehouse that is based at **Sonipat, (Haryana, India)**. This unit keeps all the procured products in an organized manner. Moreover, we have appointed skilled storekeepers, who managed the inventory inside the warehouse and keep the products under proper labeling. Further, all the skilled and experienced professionals appointed by us, always work in close coordination to run our business smoothly and systematically that enables us to serve the customers in the best way possible. Under the able guidance of our mentor, ‘**Mr. Shive Sehgal**’, we have been able to gain the trust and confidence of the valued customers. With the help of his managerial skills, constant motivation and leadership quality, we have enabled us to be acknowledged as one of the most trusted firms in the industry.
