## About Us

Established in the year 1990, Chanakya & Company, an ISO 9001-2000 certified company, is engaged in manufacturing a wide range of school furniture, modular furnitures for office etc. Designed using quality material like teak wood, partial board, mdf, hdf and merin ply, our wide product line encompasses classroom desks, office workstations, laboratory furniture, modern classroom furniture, modular partitions, executive chairs, school storages, library furniture, computer chairs, cafeteria furniture etc. In addition, we also offer wooden lab, wooden cafeteria table, medium back chair and visitor chair.

Designed to perfection, our range has received an overwhelming response from clients based across the nation. We also offer customization in terms of finish, design, color and size. Further, maintaining consistency in our quality standards, meeting consignment deadlines and following ethical business practices have helped us to serve high profile clients.

We are one of the trusted manufacturers and suppliers in India engaged in providing excellent quality range of school furniture & modular office furniture. Apart from this, we also offer cafeteria table, chairs and sofas to our clients spread across the nation. Manufactured from quality raw material such as teak wood, partial board, mdf, hdf and merin ply, our range finds applications in various houses, malls, hospitals, schools and offices. We can also offer full customization in our furniture be...
