We are one of the leading traders and exporters of a wide range of Crabs, Prawns and Fishes. The seafood offered by us is highly demanded by the customers for its freshness, high nutritional value and rich taste.

About Us

Established in the year **2000**, we, “**Chand International, Mumbai**”, are counted among the recognized firms engaged in trading and exporting a wide range of **Crabs, Prawns and Fishes**. These fishes are procured from the reliable vendors of the market, who ensure to provide disease free seafood to the clients. In addition to this, they adopt every possible measures to maintain the freshness of fishes. The seafood offered by us are demanded for their safe consumption, high nutritional content and rich taste. In order to preserve the procured range of crabs, prawns and fishes, we have established a large storage facility. The facility is equipped with various tanks and trays to preserve the fishes in a safe and hygienic manner. Moreover, we have appointed a team of professionals, who not only maintain the unit but also ensure that the fresh seafood items are delivered to the customers. For this, we make use of high-grade packaging material in conventional packing of the sea food. Owing to these factors, we have been able to offer the seafood across the **Indian Subcontinent, East Asia, Middle East and South East Asia**. Under the able the guidance of our director, '**Mr. Shaukat Ali Anshari**', we have been able to maintain a remarkable position across the globe. His in-depth knowledge and vast experience have enabled us to gain the trust of customers.
