About Us

Chandpur Enterprises Ltd. is primarily into Paper manufacturing and their first Paper Mill at Chandpur started manufacturing MG Kraft paper in 1998. Researches went on, endeavours were led. And within a very short span, Chandpur Enterprises Ltd. Started delivering MG poster papers and Newsprint along with varieties of paper by using German Technology.

Following the concept of Development is an on going process , the mill proceeded with further integration, and an Off-line Coater was put up. Company produces high quality coated paper in this state of the art plant.

Paper and environment go hand-in-hand. Only Elemental Chlorine Free (ECF) processes are used for the manufacture of the papers in the mill. The optimized effluent treatment plants ensure that the effluent which is drained out of the plant is harmless for the environment.
