## About Us

Charotar Publishing House Private Limited was established in 1944. We are Pioneer Publisher of Engineering text book in India, serving the future generation of the country with invaluable educational text books on engineering subjects written by eminent Indian professors who have specialised in their respective fields. The prices of the books are kept to the minimum possible, as good as subsidised, in an effort to bring them within the reach of the average Indian student, which is CHAROTAR's basic idea, however, no compromise on quality has ever been made. There are more than fifty publications on various engineering subjects which are known and written in a lucid language, giving step-by-step treatment of the subject matter with neat and clear self-explanatory diagrams. Won awards as best publishers and best publications in technical publication from the Federation of Publishers and Booksellers Association of India and Gujarat Book Fair.

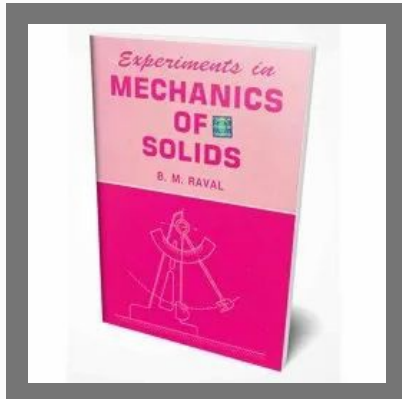

From 15 th November 2007, CHAROTAR PUBLISHING HOUSE and CHAROTAR BOOKS DISTRIBUTORS is merged and having a new corporate identity represented by new name with CHAROTAR PUBLISHING HOUSE PRIVATE LIMITED. Which is headed by Pradipkumar R. Patel and Parth P. Patel.
