About Us

"A customer is the most important visitor on our premises. He is not dependent on us. We are dependent on him. He is not an interruption in our work. He is the purpose of it. He is not an outsider in our business. He is part of it. We are not doing him a favor by serving him. He is doing us a favor by giving us an opportunity to do so". **Mohandas Karamchand Gandhi (Mahatma)**

CHATURVARGA TECHNOLOGIES is promoted in Jan'2012, by group of engineers having experience in the field of engineering. It is a dynamic and upcoming company committed to provide total solutions in the areas of manufacturing engineering. The company is involved in **manufacturing and supplying** a wide assortment of **Prototype Machined Parts, Special Purpose Machines, Industrial Gauges, Industrial Moulds, Press Machine Tools, Metal Fixtures** and many more. All products are designed keeping the upcoming demands of clients in consideration and range is offered according to that only. Using premium quality raw material in the development of our range, we ensure that our products are of excellent quality and in accordance to the set guiding principles of industry. We make transparent dealings with our clients and have achieved their large support. Chaturvarga Technologies was founded to fulfill the challenging requirements in the area of industrial (Railway/Aerospace/Defense) & automotive components. Chaturvarga Technologies has potential to provide...
