We are one of the leading manufacturers and exporters of stainless steel storage systems. These are widely used in kitchens, airports, shopping malls, and various other industries, for storing various kitchen articles and apparels.

About Us

Established in the year 1996, **Chawla Enterprises, New Delhi** is a sterling organization and is known for manufacturing and exporting a high quality range of storage systems. Our range includes **Modular Kitchen Accessories, Wardrobe Accessories, Bathroom Accessories and Commercial Kitchen Accessories**. We offer these products under the brand name of “**Apex**” and cater to the needs of kitchens, airports, shopping malls, and other industries. These are primarily used for storing various kitchen articles and apparels. With years of experience, we are able to provide an innovative range of products that have a multiple utility. We use latest technology in designing these products keeping in mind their utility and storage capacity. Manufactured using fine quality stainless steel, these storage systems are innovatively designed and possess an everlasting durability. Further, we offer customization to meet the diverse requirements of our clients. We have been able to achieve prominence in the competitive market due to the able guidance of our mentor **Mr. Raman Chawla**. His in-depth knowledge of the industry has helped us in serving our clientele.
