We are industry leading Manufacturer and Supplier firm offering best in class range of Doors & Doors Frames. Our offered products are highly acclaimed for its unmatched quality construction.

## About Us

**Chennai Door Frames** opened its door in the year **1998** to become the foremost Manufacturer and Supplier firm of premium grade Doors & Doors Frames. We have successfully acquired a benchmarking growth in the industry due to our offered wide assortment of modern day products offerings, which includes Door Frames, Wooden Windows, and Teak Wood Doors. Our fabricated doors and frames are driving us increased revenues, as these products are widely demanded across the country for its sturdy construction, latest design, premium finish, smooth and long lasting polish, termite resistant quality and high durability.

We are instrumental in garnering the needs of a huge clientele that belongs to both home and office construction projects. Thereby, we operate with a client centric manufacturing approach, where the product designs and development process are strategically scheduled to bring forth quality products within the agreed time frame. Further, our broadened product portfolio equips us to hold an enviable position in the industry, where we source finest grade wood and raw material from industry leading vendors and assure our clients with the durability of our products. We have invested heavily in modern design and manufacturing facilities to craft latest design products with accurate dimensions and efficient performance.

Our leader **Mr. A.r. Moorthy** is backed with rich expertise of the industry and has a keen eye towards contemporary...
