## About Us

Customer loyalty has to be won not desired! At Chetak, we remember that no matter what, customers always have a choice. We encourage every employee to be passionate about customer service and be empowered to respond meaningfully at the moment of truth. The ability to come through with winning solutions for our clients comes from our in-depth understanding of their business, their customers and their competition. In doing so, we're able to become a diligent partner to help them with their key business needs. It doesn't matter whether our client is a Fortune, a fast growing mid-market player, or a small upstart firm. With Chetak, they get a tailored logistics solution that increases their competitiveness, reduces their fixed costs and differentiates their products.
