About Us

We are reckoned as one of the most sought after suppliers and exporters of a pristine conglomerate of **statues, chatri Doors etc.** Our decorative products have captured both national and overseas market of the **Indian Subcontinent** due to their light weight, enticing designs, optimum durability, aesthetic value and mesmerizing color combinations. In order to store finished products, we have developed a state-of-the-art warehousing and packaging facility at our premises. We have segregated it into various sub-sections such that products under different categories can be stored separately. Furthermore, the packaging personnel make use of blister packs and raw paper to wrap the consignments to ensure their safe transit. Furthermore, we have devised varied payment modes for the esteemed clients to ease out the process of monetary transaction. Under the able guidance of our mentor, '**Mr. Sita Ram Saini**', we have been able to consolidate our position in both domestic and off shore markets. His profound expertise and vast experience in this domain have enabled us to cater to myriad requirements of the patrons in the best possible manner.
