About Us

Incepted in 2010 we, “Chirag Enterprise”, are leading **manufacturer** and **supplier** of qualitative range of **Aluminium Casting Dies, Rack Pinion, Helical Gear, Sprocket Wheel, Helical Gear Boxes, Spur Gear, Bevel Gear, Gearboxes, Gear Box, Pan Mixture Gear Box**, etc. Located at **Ahmedabad (Gujarat, India)**, we are backed by state-of-the-art infrastructural base and team of competent professionals. The infrastructural base comprises various divisions such as procuring, production, quality testing, R&D, sales & marketing, warehousing & packaging, etc. To maintain global quality in our product range, we have set up a quality testing division in which products are thoroughly tested by quality auditors on various quality parameters. Under the fruitful guidance of our **Proprietor “Mr. Umesh Ghodasara”**, we have been able to satisfy clients across the nation. Owing to our fair business policies, prompt delivery and competitive price range, we have gained huge success in this domain. Besides, we also provide highly reliable and effective **Vertical Lathe Machine Job Work, CNC Turning Job Work** and **VMC Milling Machine Job Work** rendered by our highly experienced professionals.

Being a quality-driven organization, we design and manufacture offered product range using top-notch quality raw material and advanced technology in adherence to global quality standards under the direction of...
