Chirag Industries is one of the foremost manufacturer and supplier of a vast range of HDPE Pipe Jointing Machine, HDPE Pipe Fitting etc. The range is appreciated for its accurate dimensions, high strength and reliability.

About Us

Established in the year **1990**, we, "**Chirag Industries**" are counted among one of the promising manufacturers and suppliers of a comprehensive range of **HDPE Pipe Butt Fusion Jointing Machine (With Hydraulic System), Butt Fusion Welding Mirror For HDPE Pipe With Temperature Controller, Pipe Trimmer, HDPE Pipe Fitting, Connection And Service Saddles For HDPE/DI/CI/GRP Pipe.**

All these products are manufactured specifically making use of excellent grade raw material, which is sourced from reliable vendors of the market. Designed and fabricated in compliance with industry laid norms and standards, the offered range is appreciated for its optimum performance, robust construction, accurate dimensions, high tensile strength, easy installation & operation, corrosion & abrasion resistance, low maintenance and longer service life.

To successfully cater to the growing demands of the esteemed clients, we have developed a highly sophisticated infrastructure facility for ourselves. Systematically constructed and segregated into various sub divisions such as manufacturing, quality testing, research & development, warehouse and allied, the facility assists us in executing all our business activities in a streamlined and beneficial manner. Comprising of a perfect blend of advanced technologies and expert workforce, our manufacturing unit aids us in offering superior range that is designed and manufactured incorporating even the minutest...
