## About Us

We, Chitra Veethi, are extremely passionate about paintings and various art forms. Nurturing a desire to create pure magic on canvas, we have understood various art forms and painting styles developed in India and strive to keep the flame alive regarding these endangered art forms. The variety that we offer includes Acrylic on canvas, Canvas Oil Painting, Miniature Painting, Mural, Paper Mache, Madhubani Painting, Warli Painting, Ganpati Painting, Water Colour Painting, Marble Painting, Tanjore Painting and Decorative Table Top.

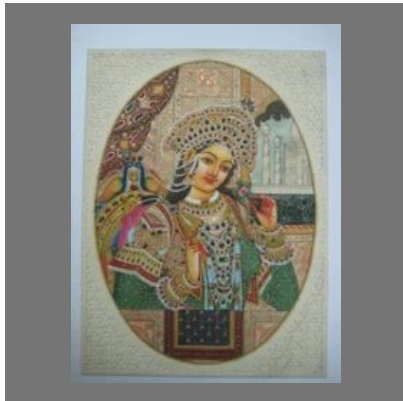

In the year 1999, we ventured in the domain of drawing paintings that were catered domestically and appreciated by a close social circle. Backed by their support and appreciation, we have decided to commercialize our business activity in the arena of painting strokes.

We welcome our clients to give me their exact needs and offer customization of our paintings on various parameters such as **Color scheme, Finishing, Size of canvas and Mélange of paintings offered by Chitra Veethi.**
