# Chrome Star Chemical Works

<https://www.indiamart.com/chromestar/>

We are one of the leading manufacturers, supplier and exporters of Industrial Chemicals such as Chromium Oxide Green and Cerium Oxide of all grades.

## About Us

Established in the year 1982, we Chrome Star Chemical Works is the most regarded and reckoned names in the industry as a manufacturer of Industrial Chemicals. We are the one of the oldest manufacturers of chromium oxide green and cerium oxide of all grades in India for more than 20 years. Our range of products is regularly processed from time to time in last 20 years and has been best preferred by users in their respective fields. Our range of chemicals are widely used in various glass polishing, glass melting, refractory, and colors in ceramics as well as polishing gemstones, pigments, ceramics, grinding wheels and metallurgy. We hold immense expertise in manufacturing chemicals for glass polish and glass melting grade cerium. Moreover our range of chemicals is most preferred in India. We also manufacture all grades of chromium oxide green and these are best suited for polishing gemstones, pigments and ceramics due to its sharp color, fine particles and high coverage area as compared to chemicals of other companies. In addition, we have recently started manufacturing of polishing powder for marbles, topaz, steel sheets, which is also used in manufacturing of marble polishing wheels and bricks for granite and other stones used in houses.
