About Us

Established in the year **1976**, **Cipy Polyurethanes Private Limited**, an **ISO 9001:2008** certified company is a trend setter at manufacturing, exporting and supplying a range of Epoxy Coatings. Our product line includes Deck Coatings, ESD Floor Coatings and Wall Coatings. We also offer post-sales and installation services. At the forefront of polymer technology, our unrivaled range of products are catering to various applications for market segments such as automotive, engineering, electronics, power, chemical and construction industry. After pioneering the development of polyurethane technology to provide a new breed of coatings, we developed many products with 'first time in India' tags. Our products, which offer flooring and water proofing solutions to the construction industry, are appreciated for their superior chemical resistance, constant level of conductivity and attractive shades. Having established a global presence, we export products to **UAE**.

Operating out of an ultramodern infrastructure facility at Pune, we produce basic ingredients to formulate over 300 varied products. Our team of engineers, designers and researchers are equipped with sophisticated technology systems and machinery. Moreover, we strictly follow production techniques that are suggested under the ISO systems. Each stage of the product cycle is closely monitored by qualified engineers and quality analysts.
