City Info, a **corporate real estate solutions and services company**, amalgamates knowledge, expertise and experience with technology and uses this unique alloy to help clients make productive real estate decisions.

## About Us

City Info, a **corporate real estate solutions and services company**, amalgamates knowledge, expertise and experience with technology and uses this unique alloy to help clients make productive real estate decisions. Our services include **corporate real estate**, transaction services, agency, asset management, development consultancy, landlord & tenant representation and valuation. At City Info, we're known for working with our clients, not just for them. As one of the largest and most respected commercial **real estate services** companies in India, we bring you strategies and insights from an integrated team of professionals located in markets in seven of the prime business locations in India. Headquartered in Bangalore, we are committed to being your strategic partner rather than a vendor as we walk that extra mile to understand your needs so we can offer profitable solutions to you. Our client repertoire is amongst the who's who of the industry, and they return to us for shouldering their property issues. Our strong local presence in established and emerging markets across the country, combined with in-depth knowledge of prevailing market conditions and long term foresight have helped us cater to client's specific needs for over a decade. By harnessing this collective experience and knowledge, we help uncover the solutions that are right for you. Whatever the scale, whatever the location, our professionals are there to provide end-to-end solutions in...
