About Us

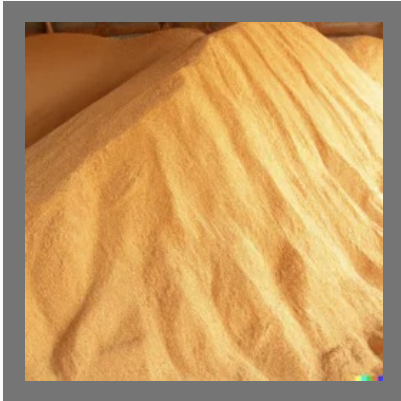

Established in the year **2007**, we "**CK And Co.**" are engaged in **manufacturing, trading, importing and exporting** a wide range of **Feed Supplements, Cattle Feed, De Oiled Cake, Feed Raw Material** and **many more**. These products are well tested on various quality parameters. We are renowned for providing supreme quality products which are highly nutritious. We are associated with biggest feed manufacturers in India. Because of our superior quality and service, we cater to some of the well-known cattle and poultry industries across the globe. We supply agricultural products to meet the demand and supply gap of our customer in India and abroad. We are working 24/7 to support our customers and that is the mantra of our having a huge clientele across the world within a short span of time. Further, we promise to fulfill the assurance of quality, and hence we carry out business in a very professional and ethical manner. We procure raw material from manufacturers directly and thereby we exercise complete control over the quality. Our raw material is procured from non-polluted and healthy suburban areas. Our company is equipped with a proficient team, which comprises of quality analysts, research & development experts and marketing personnel. These personnel have in depth knowledge and process expertise in the procurement. Procurement activities are carried by procurement experts with vast experience in their...
