About Us

Clafouti Beach Resort is contentedly located in the tourist hotspot of Varkala which provides both the modern and traditional amenities to the tourist. The staggeringly beautiful resort offers the most panoramic views of the famed Varkala shoreline. The traditional wooden cottages offer breathtaking vistas of sun and the sea, while the gourmet restaurant tempts the most jaded palate with a mouthwatering selection of international cuisine.

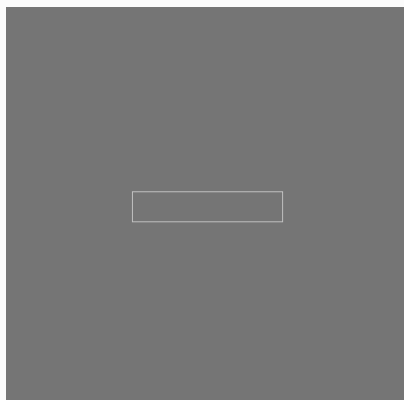

The resort has a wide variety of accommodation from independent cottages to tile thatched cool bedrooms. The cottages are duly furnished with typical Kerala decor. Each room has a balcony with spectacular views of coconut groves and the sea
