

Clarion Organics Limited

<https://www.indiamart.com/clarion-drugs/>

Manufacturer of anisole intermediates, UV absorber, sulphanilic acid, acetamide intermediates.

About Us

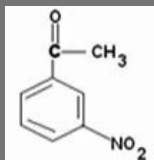

We are Manufacturers of Pharmaceutical Intermediates & fine chemicals in India. Ours is a multi process plant. We perform a very wide range of reactions. Equipped with a state of art machinery & utilities, it is a multi purpose plant. The Company offers major intermediates for the International Pharmaceutical & Perfumery Industry. The Company also undertakes development and Bulk Manufacturing of Intermediates. On Special requests Contract Manufacturing is undertaken. The plant is situated in Central India at Tumsar, District Bhandara, in the state of Maharastra, about 80 km. North East of the city of Nagpur. It is well laid out in an area of 14 Acres, which is full of greenery due to the lush green gardens & trees covering the area. The plant has been laid out in an environment friendly manner. The Company undertakes Custom Synthesis and Contract Manufacturing. These processes are carried out under exclusive agreements with customers around the world. It is equipped with a state of art effluent treatment plant. The plant conforms to all FDA & Effluent Treatment norms as required by various bodies, National & International, regulating manufacturing of Drugs & Chemicals.

ACETOPHENONE INTERMEDIATES

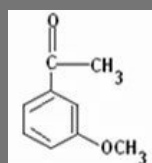

3-Nitro Acetophenone

3-Amino Acetophenone

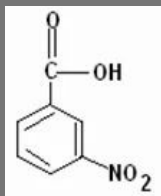

3-Hydroxy Acetophenone

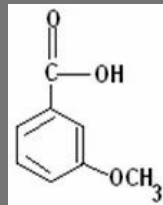

3-Methoxy Acetophenone

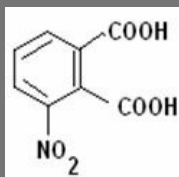

BENZOIC ACID INTERMEDIATES

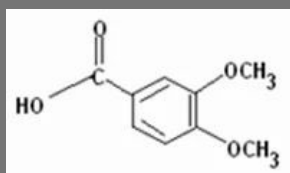

3-Nitro Benzoic Acid

3-Methoxy Benzoic Acid

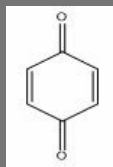

3-Nitro Phthalic Acid

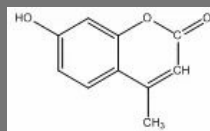

3,4-Dimethoxy Benzoic Acid
(Veratric Acid)

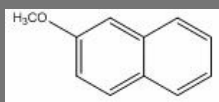

OTHER INTERMEDIATES

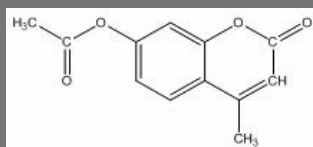

P-Benzoquinone

4-Methyl-7-Hydroxy Coumarin

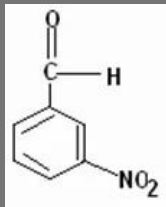

3-Methoxy Naphthalene

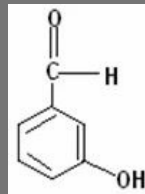

4-Methyl-7-Acetoxy Coumarin

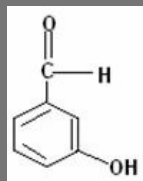

BENZALDEHYDE INTERMEDIATES

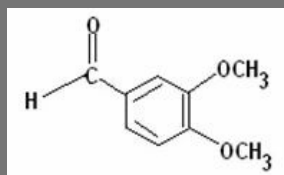

3- Nitro Benzaldehyde

3-Hydroxy Benzaldehyde

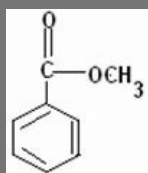

3- Methoxy Benzaldehyde

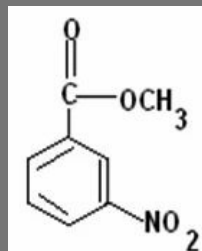

3,4-Dimethoxy Benzaldehyde
(Veratraldehyde)

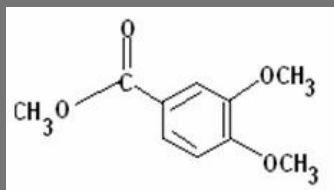

BENZOATE INTERMEDIATES

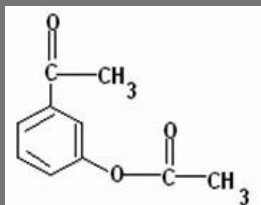

Methyl Benzoate

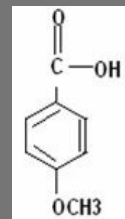

3-Nitro Methyl Benzoate

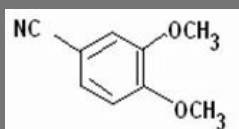

3,4-Dimethoxy Methyl
Benzoate (Methyl Veratrate)

OTHER PRODUCTS:

3-Acetoxy Acetophenone

4- Methoxy Benzoic Acid

Veratronic nitrile (3,4-Dimethoxy Benzonitrile)

Trichloro Acetonitrile

Factsheet

Nature of Business	:Exporter and Manufacturer
Total Number of Employees	:11 to 25 People
