We are an established service provider facilitating our clients with a diverse range of Commercial and Residential properties. Clients count on our ability to provide a cost-effective and reliable solution for all their property related needs.

About Us

Established in the year **2006**, we, "**Classiq Builders**", are a prolific **service provider** offering our clients superior **Commercial and Residential property solutions**. Based at **Tirupur-Anupparpalyam Pudur (Tamil Nadu)**, we also facilitate our clients with other construction related services, which include laying steam lines, gas lines, chimneys, gate grill work, floor finishing and interior work. Our constructed buildings are known for their innovative and credible designs, robust built and high endurance. Besides, our ability to understand the needs of the client and providing them a solution tailor made to suit their requirements makes us one of the most sought after names. Our services mainly cater to the needs of the real estate sector and construction industry. Our tremendous growth can be attributed to our highly competitive manpower, which carries out its job with a distinctive panache, rarely found elsewhere. Their hard work and zeal for success have been the major contributing factors in our voyage towards the attainment of complete client satisfaction. Furthermore, we have formulated and employed many quality specific policies, which involve inspection and monitoring of the complete construction process by our highly experienced experts. We make sure that all our projects are completed within the stipulated time period. Moreover, we have to our credit the successful completion of many sophisticated and reputed...
