We are traders and suppliers of Industrial Cleaning Equipments and have carved a niche in this market segment. Our products are known for their durability, high tensile strength and easy maneuverability.

About Us

We are Cleantech Services, one of leading traders and suppliers of Industrial Cleaning Equipments. Incorporated in the year 2009, under the guidance of our mentor and guide, Mr. Sandeep Godse , we have achieved the topmost position in this particular industry segment. His extensive industry experience has enabled us to deliver world class products to our customers. Our turnover has scaled upto US\$ 0.25 Million (or upto Rs. 1 Crore Approx.) in a short span of time. **We are mostly looking query from Andhrapardesh, Karnataka, Maharashtra** We have equipped state-of-the- art facilities to test the products that we source from our reliable vendors. We also have a dedicated team of professionals and engineers who ensure that these products meet international quality standards and do not get damaged during transit. We also provide our customers with after sales services and provide them orientations on the usage of these products. Our products find application in different industries and we keep a huge stock of these products so as to meet all kinds of demands at any given point of time. We lay emphasis on the guidelines provided by various International bodies that have enabled us to strengthen our commitment towards detailing and cost effectiveness while trading in these products. **Our Aim** Our aim is 'To provide the highest quality products to our customers and build long lasting relationships with our vendors, clients,...
