

Clover Solar Private Limited

<https://www.indiamart.com/cloversolar/>

We are leaders in providing System Integration Services to the Solar PV Mark such as project management services. We also deal in solar energy system.

About Us

Established in the year 2008, we “**Clover Solar Pvt Ltd**” are started with the mission to become a leader in providing system integration services to the Solar PV market (on grid and off grid) and to own and operate its own on grid Solar PV plants in India. Our group is a business conglomerate and headquartered in Mumbai, having branch offices in various other cities including Pune, Bangalore, Chennai and Ahmedabad. **Our Group Activities include**

- Information Technology
- Construction, Real Estate Development & Infrastructure
- Renewable Energy

We have gained expertise from the implementation of our own projects and cater to the requirements of various industries, farm houses, commercial and residential complexes. Our company plans to set up 2MW plant in 2010 and further to the capacity addition of 25MW in phases of 5MW is targeted up to 2012.

Clover Solar Pvt Ltd. Solarizing the future
