About Us

C M K Industries is a pioneer firm set up in **2005** in **Delhi, India**. We are a company that provides a wide range of car products including **Car Seat Covers, Full Car Matting, Car Steering Cover, Dash Board Covers, Non Woven Car Carpets** and **PVC Sheet Rolls** and many more related products. Keeping in mind the ever changing face of technology and fashion oriented mind set of the generation of today, we provide these items with highly flexible choices. Made from highest grade of raw material, our products are greatly reliable in nature. We are an enterprise that has gained immense knowledge and experience in the manufacturing and supply of these items for almost a decade. This has enabled us to blend quality, innovation and knowledge to manufacture the best and highest standard of items for sale. In addition to this, we also ascertain that the latest technology of production is utilized to offer the most up to date version of items for sale for our customers. We have been fortunate to get the deft managerial guidance of **Mr. Sanjay Kapoor** in this venture. The resourceful leadership of our brilliant proprietor has enabled us to gain a reputed position in the industry.
